A Very Merry Christmas

Dear Brethren and Friends,

It is our hope and wish that everyone had a wonderful Christmas. We had a wonderful time with our family and that of our church family. Christ always blesses us so much in a time we come to honor Him.

A rather unexpected event, was the storage facility where we were storing some of our items was burglarized. We were very thankful that only a few items were taken. It was a good time for us to talk to our children and our fellow victims, that at times like these it is good to be thankful for those things the Lord allows us to have.

I was speaking to a man in regards to the times we live in and I mentioned that I believed we were getting very close to the end, and through the exchange this one statement of his really stuck out,

I think I am like most people: I surely want to go to Heaven, but not yet.

With no assurance of destination or salvation, like most of the world, he looks to a false hope for a distant heaven that belongs to a God they don't know. The devil has so blinded their world. Please pray for him, I have shared the Gospel before with him but I pray the Holy Spirit will burden his heart.

On a sad note, there was a death in my wife's extended family. Please pray for our family and that through this tragic event, the lost members of her family will find Christ.

We as always are thankful for your prayers and look forward to being your church planters to Boise, Idaho.

Thank you and God bless you,

Bro. Doyce Walton
