Summer.....

Brethren and Friends,

It was quite a month here and very eventful. I was blessed with the opportunity to attend the Spiritual Leadership Conference at Lancaster Baptist Church in Lancaster, Ca. I attended it with my pastor, Eric Crawford, and the staff from Heritage. It was an amazing experience. I had heard many people speak of how much you can learn and how equipping it was. Pastor Chappell and Lancaster were wonderful and very hospitable hosts.

I'd had a huge encouragement from the Lord while at the conference. In a church planters luncheon, I randomly sat next to a Pastor who was from Reno, NV. I told him I was a church planter to Boise, ID and he seemed shocked. He then explained that He recently had been bi-vocational and had worked in Boise and would walk from where he worked and look for a good Baptist church and could not find one. He had prayed that someone would come and start a church there, and the Lord placed me right beside Him. It was a huge blessing and encouragement to my wife and me.

I'd like to thank you for praying for the co-workers I mentioned last month. While they didn't attend the church service, I was able to witness to one lost man who I had invited. No profession, but I was able to present the gospel to him. I want to sow as much Seed as I can!

You may remember me mentioning to keep the Wildman family in your prayer. They are a family in our church who's 12 year old daughter had brain cancer. She went home to be with the Lord, June 26, 2013. To let you know her faith, she prepared an update on her caring bridge site to be shared after she passed, and it was the plan of salvation and there is no telling how many have read it. Please pray for God's grace and peace for this kind and sweet family in their time of grief.

We are thankful for your prayers and look forward to being your church planters to Boise, Idaho.

Prayers and Praises.....

- Please pray for the Wildman Family.
